8. Main Content

This document defines the Acceptance and Test Procedures for the Controlled Motorway Indicator and Ambient Light Monitor Equipment supplied in accordance with TR2186 and TR2188.

9. Brief Statement of Grounds

The measure proposed is a purchasing specification prepared by the United Kingdom Department of Transport for use in its procurement contracts for products used in connection with roads. It does not lay down requirements for the placing of products on the UK market or for their use outside the contract concerned. The purpose of the measure is to ensure that the safety of the road user is not prejudiced and to make the best use of public money.
