4. Notification Number

93/0053/E

5. Title

Technical specifications for land receiving stations for the
direct television broadcasting service by satellite and for
the fixed satellite service for television in the 11 and 12
GHz bands.

6. Products Concerned

Land station external unit, with antenna and low noise stage,
only for reception of television signals from communications
satellites, in accordance with standards PR ETS 300 249 and
ETS 300 158.

7. Notification Under Another Act

-

8. Main Content

The main aim of these technical specifications is to
establish the requirements which must be fulfilled by the
external units in paragraph 6, in accordance with standards
PR ETS 300 249 and ETS 300 158 and the conditions of testing
detailed therein.

9. Brief Statement of Grounds

The reason for these technical specifications is to establish
the minimum requirements to enable the marketing of the
products referred to in point 6, once the fixed technical
features have been checked.
