#### 8. Main Content

These regulations amend the Private Streets (Construction) Regulations (Northern Ireland) 1994 ("the principal regulations") and apply to streets in respect of which the Department has exercised street planning functions after the coming into operation of the Regulations. The regulations prescribe standards and detailed requirements for the provision of street lighting in private streets and provide for the cost of inspections by the Department to be borne by the person or persons responsible for developing the private street.

The opportunity is also being taken to update references to various technical publications in the principal regulations.

The UK will fulfil its obligation under Article 12 of Directive 98/34/EC (as amended) when this measure is officially published.

#### 9. Brief Statement of Grounds

To ensure that street lighting to the appropriate standard is provided in all new streets that the Department is proposing to adopt into the public road network.
