5. Title

Order amending the Order of 21 November 2002, as amended, on the reaction to fire of construction products and fittings to take into account the European classification of linear pipe insulation products

6. Products Concerned

Linear pipe insulation products used in buildings and civil engineering works

7. Notification Under Another Act

-

8. Main Content

The purpose of the Order is to permit the free circulation of the products to which it relates, pursuant to the European Regulation laying down harmonised conditions for the marketing of construction products (EU No 305/2011).

9. Brief Statement of Grounds

Commission Decision 2003/632/EC of 26 August 2003 established a classification system for the reaction to fire characteristics of linear pipe insulation products. The Order defines the acceptance conditions for these classes to meet the requirements of the fire safety regulations before the latter are amended explicitly to accommodate these classes.
