8. Main Content

A. These Regulations make provision as to:

(a) the manner in which quantities are to be marked on those containers of goods which are required to be marked with information as to quantity under either the national system commonly known as "the minimum system" or the EC system commonly known as "the average system";

(b) the units of measurement to be used in marking containers required to be marked under the minimum system; and

(c) the abbreviations of, or symbols for, units of measurement which may lawfully be used for trade (other than for the purpose of marking weighing or measuring equipment).

B. The United Kingdom would be pleased to be informed by other Member States of the European Economic Area of their own standards or regulations offering an equivalent level of safety and security.

9. Brief Statement of Grounds

To make provision as stated above and to comply with the implementation of the amendments made by Council Directive 89/617/EEC (O.J. No. L357, 7.12.89, p.28) to Council Directive 80/181/EEC (O.J. No. L39, 15.2.80, p.40) which relates to the use of units of measurement for economic, public health, public safety or administrative purposes.
