2007/0578/E – S50E

5. Title

Order implementing Royal Decree No 430/2004, of 12 March, laying down new rules on the restriction of emissions into the atmosphere from large combustion plants and establishing certain conditions for the control of emissions into the atmosphere from oil refineries, in relation to the measurement of emissions and the transmission of information relating thereto.

6. Products Concerned

The proposal affects the measurement procedures and apparatus for the measurement of SO₂ and NO_x pollutants, particles and processing parameters, and any other measurement required in order to determine the concentrations of emissions from those pollutants and their emission masses from large combustion plants.

7. Notification Under Another Act

-

8. Main Content

The notified draft order regulates the procedures for determining emissions of atmospheric pollutants SO₂, NO_x and particles from large combustion plants, and the control of measuring apparatus and the processing and transmission of information on their emissions to the competent authorities with a view to meeting the requirements laid down in Directive 2001/80/EC, of 23 October 2001.

Key words in the draft order:

- Large combustion plants.
- Emissions of atmospheric pollutants.
- Measuring equipment.

9. Brief Statement of Grounds

The notified draft order has been drawn up in order to comply with the obligation to communicate information on emissions from large combustion plants to the European Commission, as laid down in Annex VIII of Directive 2001/80/EC, transposed into Spanish legislation by means of Royal Decree 430/2004, of 12 March, laying down the procedures required in order to ensure that measurements are of suitable quality and can be comparable.

10. Reference Documents - Basic Texts

We attach Royal Decree No 430/2004, of 12 March, laying down new rules on the restriction of emissions into the atmosphere from large combustion plants and establishing certain conditions for the control of emissions into the atmosphere from oil refineries, which has transposed into Spanish legislation Directive 2001/80/EC of the European Parliament and of the Council of 23 October 2001.

11. Invocation of the Emergency Procedure
