8. Main Content

Regulations 30 and 31 of the draft Water Supply (Water Quality) Regulations (Northern Ireland) 2002 allow the Secretary of State for the Environment, Food and Rural Affairs, to approve substances, products and processes used in the provision of public water supplies in Northern Ireland. Regulation 31 allows the Secretary of State to issue, modify or revoke approvals for the processes.

Recognition of equivalent European measures is provided by a general exemption in Regulation 30(3) for substances and products conforming to a harmonised European standard or an equivalent national standard in a European country.

Northern Ireland will fulfil its obligation under Article 12 of Directive 98/34/EC when these regulations are officially published.

9. Brief Statement of Grounds

Regulations 30 and 31 are intended to ensure that the water supplier does not use substances, products or processes that will adversely effect the quality of drinking water, or cause a risk to the health of consumers.
