#### **8. Main Content**

The Seed Potatoes (Wales) Regulations 2015 revoke and replace the Seed Potatoes (Wales) Regulations 2006, which have been amended on several occasions. They control the production, certification and marketing of seed potatoes in Wales, other than those intended for export outside the EU, and give effect to Council Directive 2002/56/EC on the marketing of seed potatoes, as amended.

They also give effect to:

Commission Decision 2004/3/EC authorising in respect of the marketing of seed potatoes in all or part of the territory of certain Member States, more stringent measures against certain diseases than are provided for in Annexes I and II to Council Directive 2002/56/EC, as amended;

Commission Implementing Directive 2014/20/EU determining Union grades of basic seed potatoes and the conditions and designations applicable to such grades; and

Commission Implementing Directive 2014/21/EU determining minimum conditions and union grades for pre-basic potatoes.

#### **9. Brief Statement of Grounds**

The Seed Potatoes (Wales) Regulations 2006 require amendment in order to implement changes in the EU legislation to which the regulations give effect. As the regulations have been amended on several previous occasions we have taken the opportunity to consolidate those amendments into the Seed Potatoes (Wales) Regulations 2015.

As provided for in Commission Decision 2004/3/EC, the regulations apply stricter domestic requirements in relation to certain potato diseases.
