7. Notification Under Another Act

- Directive 94/62/EC on packaging and packaging waste

8. Main Content

Amendment of Schedule 2 of the Producer Responsibility Obligations (Packaging Waste) 2007. The changes are to introduce recovery targets for 2013-2017.

The associated consultation paper, which discusses the options in relation to each proposal as well as an Impact Assessment, which focuses on the environmental, social and economic costs and benefits. Furthermore, the draft amending Regulations are also included.

9. Brief Statement of Grounds

Existing UK business targets currently cease in 2012. In order to ensure ongoing compliance with the Directive, and meet the UK national policy objectives, new recovery targets and associated material specific recycling targets have been proposed. The proposal would bring the overall recycling rate to around 70% by 2017 and bring significant environmental benefit.
