4. Notification Number

2009/49/F - B10

5. Title

Decree on the provisions relating to the protection of workers against hazards of electrical origin to be observed by project owners undertaking the construction or configuration of buildings intended to accommodate workers and amending chapter V of Title I of Book II of the fourth part of the Labour Code

6. Products Concerned

Electrical installations in buildings intended to accommodate workers

7. Notification Under Another Act

-

8. Main Content

The rules on the design and construction of electrical installations are expressed in terms of objectives. The practical conditions of compliance with these objectives may be the relevant requirements of installation standards.

Keywords: project owner's obligations / design electrical installations / protection of workers

9. Brief Statement of Grounds

To guarantee the health and safety of workers by preventing the risk of electric shock by direct or indirect contact, of burns, of fire or of explosion of electrical origin by means of obligations incumbent on the project owner who undertakes the construction of these buildings.

10. Reference Documents - Basic Texts

a) Articles L.4211-1 and L.4211-2 of the Labour Code

Article L.4211-1: "The project owner undertaking the construction or configuration of buildings intended to accommodate workers shall comply with the legal provisions aiming to protect their health and safety."

Article L.4211-2: "As regards the application of provisions on the design of places of work, Decrees in Council of State, adopted pursuant to Article L.4111-6, shall determine:

1° The health and safety rules with which the project owners of buildings intended to accommodate workers shall comply;

2° The premises and dispositions or configurations of any kind which equip buildings that such Decree designates with a view to improving the conditions of health and safety of workers assigned to their construction or maintenance.

Such Decrees shall be adopted after the opinions of the professional employers' and employees' organisations have been sought."

11. Invocation of the Emergency Procedure

NO

12. Grounds for the Emergency

-

13. Confidentiality

-

14. Fiscal measures

b) NO

15. Impact assessment

-

16. TBT and SPS aspects

no
