8. Main Content

To define soft drinks in legal terms and to lay down
compulsory standards on the manufacture, packaging, marketing
and, in general, the legal classification of such products.

////

9. Brief Statement of Grounds

It is necessary to have a clear, precise regulation setting
out in a single legal document the standard applicable to
this type of product in order to facilitate its
interpretation and as an aid to the sector concerned. Work
has also begun on revising and updating the list of
authorized additives used in such products.
