4. Notification Number

2006/0533/E – H10

5. Title

Draft decree amending the Regulation on Amusement and Gaming Machines concerning certain technical aspects of type 'B' amusement machines

6. Products Concerned

Type 'B' amusement machines, companies manufacturing them and premises in which they are installed such as bars, cafeterias, amusement arcades, gaming clubs, bingo halls and casinos.

7. Notification Under Another Act

-

8. Main Content

The present decree incorporates into the regulation on amusement and gaming machines the agreements reached at the meeting of the sectoral gaming committee of 29-11-04, aimed at promoting the homogeneity of the industrial conditions for type 'B' machines, and making it possible to approve a new special type 'B' machine exclusively for installation in bingo halls.

9. Brief Statement of Grounds

The present modification is justified since it is necessary to incorporate into the legislation the agreements of the sectoral committee on certain technical aspects of type 'B' machines, which represent technological progress by introducing the possibility of playing the game by means of a video screen or similar physical medium, as well as the possibility of installing special machines for bingo halls, in which the game is based on the notion of bingo, aspects that the sector has been calling for repeatedly.
