5. Title

Safety standards for the installation of mobile platforms and
staircases for transporting persons.

6. Products Concerned

Platforms and mobile staircases for the transport of persons.

7. Notification Under Another Act

No

8. Main Content

Regulation governing the installation of mobile platforms and
staircases for the transport of persons. The purpose of the
notified Decree is to regulate certain aspects with regard to
the installation of platforms and mobile staircases for the
transport of persons whilst defining the safety regulations
which are necessary for ensuring the protection of persons
and goods as well as the procedure for including the
installations in the corresponding register. In the same way
it determines the standards for the use and maintenance of

installations whilst setting forth qualifications for infringements and the sanctioning procedure.

9. Brief Statement of Grounds

In the absence of specific legislation for this type of installation and given the increase that these same are undergoing in said autonomous Community it is advisable to implement regulation thereof.
