5. Title

The spongiform encephalopathy (miscellaneous amendments)
order 1993.

6. Products Concerned

All material derived from the specified bovine offals as

defined in the bovine spongiform encephalopathy order 1991 (si 1991/2246) is covered by the part of the legislation being notified.

7. Notification Under Another Act

-

8. Main Content

a. The amendment in article 3 (2) of this order extends the existing prohibition on the sale, supply or use for feeding to animals or poultry of specified bovine offal to include any material derived wholly or partly from it.

recognition of equivalent standards and testing in the notified draft is not provided as it is not applicable in this case.

b. The united kingdom would like to be informed by other member states of their own standards and regulations offering an equivalent level of safety and security.

9. Brief Statement of Grounds

this amendment is being made following a recommendation by the independent spongiform encephalopathy advisory committee that legislation on the use in animal feed of material derived from specified bovine offals should be in line with that on the use in human food of such material contained in the bovine offal (prohibition) regulations 1989 (as amended) particularly with regard to the use of bovine tallow prepared from the said offals.
