5. Title

Draft Resolution on broadcasting conditions for short extracts from sporting competitions and events of particular interest to the public other than sporting events.

6. Products Concerned

This draft concerns multiple categories of information society services: television services and on-demand audiovisual media services within the meaning of Directive 2010/13/EU of the European Parliament and of the Council on the coordination of certain provisions laid down by law, regulation or administrative action in Member States concerning the provision of audiovisual media services (Audiovisual Media Services Directive), as well as certain online public communication services covered by Directive 2000/31/EC of the European Parliament and of the Council on certain legal aspects of information society services, in particular electronic commerce, in the Internal Market (Directive on electronic commerce).

8. Main Content

The draft text establishes broadcasting conditions for short extracts from sporting competitions and events of particular interest to the public other than sporting events, which have given rise to the acquisition of exclusive audiovisual exploitation rights. In particular, it establishes the source from which the images are taken, the definition of an information broadcast, the maximum duration of the 'short extracts' and the conditions for presentation via services other than television.

9. Brief Statement of Grounds

In order to complete transposition of Directive 2010/13/EU of 10 March 2010, Article 20-4 of the Law of 30 September 1986 on freedom of communication amended by the Law of 1 February 2012 reinforcing the ethics of sport and the rights of sports people refers responsibility to the Audiovisual Council for the adoption of rules establishing conditions for the broadcasting of short extracts of events of particular interest to the public via electronic communication services.
