4. Notification Number

2016/0224/E - C50A

5. Title

Draft Royal Decree laying down the quality standard for table olives

6. Products Concerned

Table olives

7. Notification Under Another Act

- Directive 2000/13/EC on the labelling, presentation and advertising of foodstuffs

8. Main Content

The draft updates the quality standard for table olives.

The main aspects covered refer to the definition of the products and their forms of presentation, basic production processes, the characteristics and defects of the finished products, as well as lay down the tolerances of said finished products for the different product categories. In addition, it includes an article on the food information provided to consumers for this type of product.

9. Brief Statement of Grounds

To update the national food quality standard for the table olives sector, taking into account international standards, the interests of the sector and new legislation related to the food information provided to consumers.

To improve the competitiveness of the table olives sector and guarantee fair competition between its industries.

To allow the innovation and technical development of the sector, considering aspects related to harvesting such as the development of new products and new production methods.

10. Reference Documents - Basic Texts

No basic text(s) available.
