-

8. Main Content

This draft approval specification describes the essential requirements that are applicable to CT0 terminal equipment.

9. Brief Statement of Grounds

This draft is the 2nd edition of a notified text with the reference: 92/277/F

The principal amendments are the following:

- the addition of point 1.5 making reference to the text transposing into French law the EMC Directive (1.5)
- the possibility for a single channel set to have access via a switchboard to a second channel (2.1)
- the possibility for a multi-channel set to have access indifferently to the three frequency groups (2.5)
- the last point of paragraph 4.1 and paragraph 4.3.2 are being approved.

The 2nd edition of this draft is introduced to replace notification 92/277/F.
