division

4. Notification Number

94/0274/UK

5. Title

designation under section 22(6) of attachment requirements for the connection of terminal equipment to the united kingdom public switched telephone network (pstn), excluding handset telephony.

6. Products Concerned

non-voice terminal equipment intended for connection to the united kingdom public switched telephone network. it does not apply to terminal equipment intended to through-connect to other analogue equipment not itself approved for direct connection to the analogue public switched telephone network.

7. Notification Under Another Act

-

8. Main Content

the draft regulation contains the essential requirements specified in articles 4(c) to 4(f) of directive 91/263/eec, for the approval of non-voice terminal equipment intended for connection to the uk public switched telephone network but excluding terminal equipment with additional analogue telecommunications interfaces that are intended to be through connected to the interface intended for connection to the analogue public switched telephone network. this designation recognises the validity of alternative equivalent standards that also contain the essential requirements.

9. Brief Statement of Grounds

the notified document reduces the technical requirements to a level consistent with the essential requirements of directive 91/263/eec.

10. Reference Documents - Basic Texts

ntr for attachment requirements for the connection of terminal equipment to the united kingdom public switched telephone network (pstn), excluding handset telephony.

11. Invocation of the Emergency Procedure

no
