4. Notification Number

1999/0465/E

5. Title

Order regulating the State metrological monitoring of static alternating current active energy meters, classes 1 and 2.

6. Products Concerned

Instruments designed to measure electrical energy consumption.

7. Notification Under Another Act

-

8. Main Content

The aim of the present Order is to regulate phases A), B), C) and D) of the metrological monitoring of instruments designed to measure electrical energy consumption.

9. Brief Statement of Grounds

Industrial and technological development has promoted the appearance on the market of static electrical energy meters which are used to register consumption. It has therefore become necessary to regulate these measuring instruments.
