7. Notification Under Another Act

-

8. Main Content

This order lays down the technical requirements for the distribution of electrical energy.

9. Brief Statement of Grounds

A draft order on the same subject has already been notified to the Commission (notification 98/0092/F).

However, for economic reasons it has been substantially revised, which is the reason for this new notification. These amendments relate to the draft order which updates the order of 2 April 1991 laying down the technical requirements to be met in the distribution of electrical energy; certain points in the text have been amended or added to take account of events which have arisen since the drawing up of this draft.

10. Reference Documents - Basic Texts

- amended Act of 15 June 1906 on the distribution of energy, in particular article 19 thereof
- order of 2 April 1991 laying down the requirements for the distribution of electrical energy
- opinion of the Technical Committee on electricity of 21 June 2000

The texts were forwarded at the time of notification 98/0092/F
