4. Notification Number

93/0054/E

5. Title

Technical specifications with which low power cordless
microphones must comply.

6. Products Concerned

Microphones which are designed to achieve greater flexibility
and independence in use and which utilize part of the
radioelectric spectrum.

7. Notification Under Another Act

-

8. Main Content

The main aim of these technical specifications is to set the
requirements and conditions of testing with which low power
cordless microphones must comply.

9. Brief Statement of Grounds

The reason for these technical specifications is to set some
minimum requirements in order to enable the marketing of the
products referred to in point 6, once the fixed technical
features have been checked, by means of methods of testing
contained in these same specifications.
