8. Main Content

The aim of this draft is to list the sweeteners authorized in the manufacture of reduced calorie or unsweetened foodstuffs as well as the brand names and labelling.

9. Brief Statement of Grounds

Bearing in mind the requirements imposed by scientific and technical knowledge on the manufacture of the products given in the title of this draft and with regard to the delay established in the publication of the Community Directive on sweeteners, it is deemed necessary to allow the use of these products with a view to the free circulation of goods within the Community, given their presence on the market.
