8. Main Content

The draft regulations amend the Road Vehicle (Brake Linings Safety) Regulations 1999 to permit the sale of replacement brake linings for vehicles which have been imported into the UK under the Single Vehicle Approval scheme, manufactured under the Low Volume Manufacturer scheme or have had their braking system modified.

The Regulations will also permit the sale of Original Equipment brake linings complying with Directive 2002/78/EC

9. Brief Statement of Grounds

Vehicles imported under the Single Vehicle Approval scheme, manufactured under the Low Volume Manufacturer scheme or with improved braking systems cannot comply with the current requirements for replacement brake linings to be approved to Annex XV of Directive 98/12/EC or ECE Regulation 90.01 as the vehicle manufacturers would not possess the appropriate test data with which to base a comparison.
