5. Title

Royal Decree amending the Regulation on heating installations in buildings and its supplementary technical instructions

6. Products Concerned

All equipment, materials and components of heating, air-conditioning and hot water installations in buildings.

7. Notification Under Another Act

-

8. Main Content

1) The Royal Decree concerns the amendment of various supplementary technical instructions of heating

installations in buildings, as well as the new composition of the advisory committee for heating installations in buildings.

9. Brief Statement of Grounds

The notified Royal Decree obeys the need to amend the Regulation on heating installations in buildings, due to the Ministerial re-structuring implied by the abolishment of the Ministry of Industry and Energy, which was competent in this field at the time.

Similarly, various supplementary technical instructions taking account of the proposals of manufacturers and users, as well as new technological developments, are also amended by this Royal Decree.

10. Reference Documents - Basic Texts

b) Royal Decree No 1751 of 31 July 1998, adopting the Regulation on heating installations in buildings and its supplementary technical instructions and creating the advisory committee for heating installations in buildings (Spanish Official Gazette 5-8-98).

It was notified to the Commission by means of Notification No 96/0163/96.
