B 13-60 A, March 1995 edition: Analog modems. Addition to  
the specification for approval.  
B 11-23 A on connection to the public switched telephone  
network and connection to private lines@bri.

**6. Products Concerned**

The appliances concerned are analog modems.

**7. Notification Under Another Act**

-

**8. Main Content**

The regulation sets forth minimal specifications to be met by  
analog modems which are connected to the public switched  
telephone network or private lines.

**9. Brief Statement of Grounds**

The part of the regulation which deals with connection of a  
modem to the public switched telephone network is to be  
considered as an addition to the transposition of NET4

(notified under No 95 027 F).

When the CTR21 relating to terminal non-vocal equipment comes into force it may be used in place of the present regulation on connection to the public switched telephone network.
