8. Main Content

The draft Order amends the Order of 26 December 2005 updating the methodology for calculating the volume of wood incorporated into certain constructions. This calculation is carried out using a fixed method based on the real volumes of the products containing wood.

9. Brief Statement of Grounds

Planning law no. 2009-967 of 3 August 2009 relating to the institution of the Environment Round Table, Grenelle 1, in particular article 34 thereof stipulates that the construction standards will be adapted “specifically by significantly increasing the minimum rate of wood incorporated into the construction”.

Decree no 2010-273 of 15 March 2010 relating to the use of wood in certain construction defines the minimum threshold for wood to be incorporated depending on the type of building.

10. Reference Documents - Basic Texts
