8. Main Content

a. The draft regulations amend the weighing equipment (beltweighers) regulations 1983 to bring them into line with recommendation r50 of the international organisation for legal metrology (oiml) and also make provision for avoiding duplication of tests of beltweighers imported from other member states of the ec and contracting parties to the eea agreement.

b. The united kingdom would like to be informed by other member states of their own standards or regulations offering an equivalent level of safety and security.

9. Brief Statement of Grounds

To align with oiml recommendation r50 and to comply with community law.
