8. Main Content

The Design Manual for Roads and Bridges is the basis of the advice documentation used by Highways England for new highway construction works and maintenance on the UK Strategic Trunk Road Network.

TA81 sets out the needs of the Overseeing Organisation with respect to use of coloured road surfacings

9. Brief Statement of Grounds

The use of these documents is mandatory for all trunk roads, including motorways, in England. Other UK Overseeing Departments incorporate certain amendments to take account of local conditions.

This document will replace the existing TA 81 and ensure best practice in road and bridge construction while complying with all relevant EU Directives, as well as ensuring the appropriate levels of governance for the highway authority.
