8. Main Content

The content of the amendments made in this draft royal decree are intended to incorporate the obligations arising from Directive 2010/31/EU relating to thermal installations in buildings into our legal system, and to update the existing Regulations on Thermal Installations in Buildings (RITE), adapting them to current energy saving and efficiency requirements.

9. Brief Statement of Grounds

The amendments made to the existing Regulations on Thermal Installations in Buildings (commonly abbreviated to RITE) by means of the draft royal decree in question are motivated by:

The need to transpose Directive 2010/31/EU of the European Parliament and of the Council of 19 May 2010 on the energy performance of buildings into the Spanish legal system.

The requirement provided for in the second final provision of Royal Decree 1027/2007 of 20 July adopting the Regulations on Thermal Installations in Buildings (RITE) to review the energy efficiency requirement at least every five years.
