4. Notification Number

98/0441/F

5. Title

Order the dosage methods for including vitamins B1, B2 and B6
in foodstuffs and beverages intended for human consumption.

6. Products Concerned

Dosage methods for including vitamins B1, B2 and B6 in all
foodstuffs intended for human consumption.

7. Notification Under Another Act

-

8. Main Content

The Order provides a detailed description of 3 official
dosage methods for vitamin B1, B2 and B6. These methods are
applied regardless of the form in which the vitamin is
included.

9. Brief Statement of Grounds

The Order of 21 October 1987 establishes the dosage methods
for including vitamins B1 and B2 in dietetic products. There
is no Order establishing a dosage method for vitamin B6.

This new Order, which abrogates the Order of 21 October 1987, also takes into account recent procedures for validating test methods and expanding their sphere of application to all foodstuffs intended for human consumption.

10. Reference Documents - Basic Texts

Article R.215-19 of the Consumer Code stipulates that laboratories must use the methods detailed by the Orders of the Minister for Economy and Finance for examining samples.

11. Invocation of the Emergency Procedure

No

12. Grounds for the Emergency

-

13. Confidentiality

No

14. Fiscal measures

No
