1. Structured Information Line

TLX 001 IND- 94 0175 UK- EN ----- 940713 --- ---

2. Member State

united kingdom

3. Department Responsible

department of trade and industry: standards policy unit

3. Originating Department

national weights and measures laboratory

4. Notification Number

94/0175/UK

5. Title

measuring equipment (liquid fuel and lubricants) regulations

6. Products Concerned

petrol dispensers, paraffin dispensers, oil meters

7. Notification Under Another Act

-

8. Main Content

- a. the draft regulations replace the measuring equipment (liquid fuel and lubricants) regulations 1988. they bring these regulations largely into line with the draft international recommendation 'measuring systems for liquids other than water', from the international organisation for legal metrology. they also make provision for avoiding the duplication of tests on measuring equipment imported from other member states of the european community, and from contracting parties to the european economic area agreement.
- b. the united kingdom would like to be informed by other member states of their own standards or regulations offering an equivalent level of safety and security.

9. Brief Statement of Grounds

to align with oiml draft international recommendation 'measuring system for liquids other than water' and to comply with community law.

10. Reference Documents - Basic Texts

'measuring equipment (liquid fuel and lubricants) regulations 1988' and 'proposals for measuring equipment (liquid fuel and lubricants) regulations - consultation document'

11. Invocation of the Emergency Procedure

no

12. Grounds for the Emergency
