4. Notification Number

2010/0533/E - H10

5. Title

Order developing, regulating and establishing the general and technical characteristics of the accumulated interconnected bingo (Spanish acronym: BAI) mode

6. Products Concerned

The Accumulated Interconnected Bingo system in the Autonomous Community of the Canary Islands will consist of the interconnection of the computer systems of the various Bingo Halls to a central system that will control the development of this gaming mode by exchanging information with the halls in real time.

7. Notification Under Another Act

-

8. Main Content

The general and technical conditions for the accumulated interconnected bingo (Spanish acronym: BAI) mode that are introduced in the sole Appendix to this Regulation are adopted, and the conditions to which those Bingo Halls of this Autonomous Community which, pursuant to Article 37 of the Regulation on the Game of Bingo, are granted the corresponding authorisation from the relevant administration.

Operation of the BAI System

1. In the case of the disconnection of a hall from the Central System, the same can continue playing the BAI provided that it guarantees the development of gaming, otherwise, the hall may continue playing regular bingo, deriving the amount of the deduction from the gross sale corresponding to the BAI from the regular bingo prize.
2. All operations of the system in the hall shall be performed by the gaming technicians that operate the former (Table Manager or Cub Manager), who shall be responsible for said system.
3. The managing body of the BAI is the sole party responsible for the proper operation of the system, and the existence of irregularities that could modify the normal operation of the BAI for dishonest purposes shall constitute a reason for withdrawal of authorisation.

9. Brief Statement of Grounds

Articles 37 and 41 of the Regulation on the Game of Bingo, approved by Decree 22/2009 of 3 March, establishes and regulates the legal arrangements governing the accumulated interconnected bingo mode, with Appendix IV, paragraph 3, of said Regulation providing that the description, operation, design, applications and security, and all other technical aspects related to the computer system of the BAI, shall be subject to the conditions laid down in the developing technical standard issued by the regional Ministry.

It is also necessary to develop certain aspects relating to this bingo mode, which are taken up in this Order in exercise of the delegation of authority provided for in the first final provision of Decree 22/2009, which grants to

the entitled person of the regional Ministry responsible for gaming and betting the authorisation to develop the regulation of the game of bingo.
