4. Notification Number

2003/0271/E - C20A

5. Title

Decree on integrated production and the indication thereof on agricultural products.

6. Products Concerned

Agricultural and livestock products.

7. Notification Under Another Act

-

8. Main Content

The aim of this Decree is to regulate the integrated production system for agricultural products and livestock, laying down:

- a) the basic production standards and the general requirements to be met by operators intending to subscribe to the integrated production system
- b) The content of the technical production regulations
- c) The control, monitoring and certification system for the affected products
- d) The use of the designation distinguishing integrated production, for the consumer
- e) The Official Register of integrated production in Galicia
- f) Private guarantee markings

9. Brief Statement of Grounds

The need to achieve production in which quality takes precedence alongside consumer requirements, reconciling production with protection of the environment and the necessary profitability of farms. In this regard, integrated production combines the resources and mechanisms of natural production, for both agriculture and livestock, introducing environmentally-friendly technologies and ensuring high quality and safe production, also guaranteeing the traceability of the product.

Integrated agricultural production constitutes the basis for integrated livestock production.
