Draft decision concerning various obligations relating to the  
construction of pressurized apparatus (materials, relevant  
code, etc.)

**6. Products Concerned**

Pressurized gas apparatus.

**7. Notification Under Another Act**

-

**8. Main Content**

The aim of the decision is to specify certain technical  
provisions (materials, relevant code, etc.) for the  
realisation of pressurized gas apparatus. It concerns the  
updating of an older decision through the inclusion of  
certain European standards in particular, which have been  
recently adopted.

It should be noted that these obligations are provisional and  
will become null and void upon the implementation of

Directive 97/23/EC on the alignment of Member State legislation concerning pressurized apparatus.
