Department of Industrial Affairs, Energy and Transport
Ministry of Foreign Affairs,
c/ María de Molina, 39 - planta 10

3. Originating Department

Ministry of Construction and Urban Development

4. Notification Number

90/0379/E

////

5. Title

Royal Decree approving the 'regulations for the design and construction of plain or reinforced concrete structures (EH-91)'

6. Products Concerned

Concrete and reinforcement

7. Notification Under Another Act

-

8. Main Content

Amendment of the current 'EH' regarding design documents, cements which may be used, other components of concrete, reinforcement, methods, etc.

9. Brief Statement of Grounds

The above-mentioned amendments to the current 'EH' regulations are intended to adapt them to the state of the art and to improve and clarify their wording. It is also necessary to introduce the appropriate clauses into the regulations to allow the use of products legally manufactured and marketed in a Community Member State.

10. Reference Documents - Basic Texts

Regulations EH-88 and EF-88

11. Invocation of the Emergency Procedure

No

12. Grounds for the Emergency
