4. Notification Number

95/0390/E

5. Title

Draft Ministerial Order of the Ministry of Industry and
Energy amending the Order of 20 September 1985 on
construction standards, type approval, testing and inspection
of tanks for hazardous goods.

6. Products Concerned

Tanks for transporting fuels and characteristics of their
accessory equipment, and control procedures.

7. Notification Under Another Act

-

8. Main Content

The amendments consists of the addition, to the text of the
MO of 20 September 1985, of the characteristics which must be
complied with by the operating equipment of tanks for
transporting petrol (valving, level sensors, manholes and
access hatches, vapour recovery), the reinforcements of these
tanks and the control procedures, and the penalties.

9. Brief Statement of Grounds

Due to the experience gained from the causes of accidents in Class 3 tanks and in order to regulate certain aspects of the application of the international ADR standards on operating equipment and protective elements thereof.

10. Reference Documents - Basic Texts

Ministerial Order of 20 September 1985 (Official State Bulletin of 27 September 1985).
