8. Main Content

Description of the National Motorway Communication System
(NMCS). Information for the design of NMCS. Reference to NMCS
documentation.

9. Brief Statement of Grounds

The measure proposed is advice prepared by the United Kingdom
Department of Transport for its own use and for the use of
other public road providers. It advises on the criteria for
the provision of road traffic control equipment and provides
general guidance on the characteristics, installation layout
and functions of the equipment. The purpose of the measure
is to ensure a consistent level of provision of road traffic
control equipment throughout the UK road network for the
benefit of the road user whilst making the most effective use
of public money.
