8. Main Content

The Seed Potatoes Regulations (Northern Ireland) 2015 consolidate and update the Seed Potatoes Regulations (Northern Ireland) 2010. they control the production, certification and marketing of seed potatoes in Northern Ireland, other than those intended for export outside the EU, and give effect to Council Directive 2002/56/EC on the marketing of seed potatoes, as amended.

They also give effect to:

Commission Decision 2004/3/EC, as amended by Commission Implementing Decision 2014/105/EU, authorising in respect of the marketing of seed potatoes in all or part of the territory of certain member States, more stringent measures against certain diseases than are provided for in Annexes I and II to Council Directive 2002/56/EC, as amended;

Commission Implementing Directive 2014/20/EU determining Union grades of basic seed potatoes and the conditions and designations applicable to such grades; and

Commission Implementing Directive 2014/21/EU determining minimum conditions and Union grades for pre-basic seed potatoes.

9. Brief Statement of Grounds

The Seed Potatoes Regulations (Northern Ireland) 2010 require amendment in order to implement changes in the EU legislation to which the Regulations give effect. As the Regulations have been previously amended it was decided to consolidate those amendments into the Seed Potatoes Regulations (Northern Ireland) 2015.

As provided for in Article 5 of Council Directive 2002/56/EU and Commission Decision 2004/3/EC, as amended, the Regulations apply stricter domestic requirements in relation to certain potato diseases.
