8. Main Content

This Order, based on Article 6(4) Council Directive 1999/36/EC of 29 April 1999 on transportable pressure equipment, lays down regulations for the use, maintenance, repair and adjustment applicable to transportable pressure receptacles to all transportable pressure receptacles referred to in point 6 above.

It also lays down the provisions applicable, for periodic inspection, to the transportable pressure receptacles constructed under the French regulatory regime and which are not subjected to the reassessment of conformity laid down under Article 5 of the above-mentioned Directive.

9. Brief Statement of Grounds

This Order aims to harmonise provisions on the periodic inspection of transportable pressure receptacles constructed under the French regulatory regime and which are not subjected to the reassessment of conformity laid down under Article 5 of Directive 1999/36/EC of 29 April 1999 with the provisions laid down by said Directive for transportable pressure receptacles bearing the "pi" mark laid down in Article 10 thereof. It shall additionally assure continuity with the provisions currently in force in this field.
