8. Main Content

The aim of the draft is to extend or establish transitional
periods for certain nominal quantity values and, in
accordance with the authorizations in Community Directives,
incorporate other nominal values and to exclude from the
regulation specific presentations of certain products which
are thus

imposed through market requirements.

Secondly, a 0.33 litre volume is authorised for milk based beverages and amends the nominal values for powdered washing and cleaning products in order to achieve the technical adaptation thereof.

In this way, the sale of various packaging for products originating from other Member States of the European Union and the European Free Trade Association which are a party to the European Economic Area agreement is authorised.

9. Brief Statement of Grounds

The intention is to make certain provisions in force on this subject compatible with Community law in order to ensure the free movement of products which are legally sold in the European Union
