8. Main Content

This Draft consists of an introduction, six Articles, an additional provision, one repealing provision, two final provisions and an Annex.

This Royal Decree is for the purpose of approving the positive list of basic materials for the production of the base gum for chewing gum or bubblegum, the identity and purity criteria and the evaluation procedure for new basic materials. It repeals the Resolution of 16 December 1975 approving the positive list of authorised additives in the production of sweets and chewing gum.

9. Brief Statement of Grounds

This Royal Decree is for the purpose of updating the composition of the masticatory bases or base gum used in the production of chewing gum, and in so doing eliminates the disadvantageous situations of the Spanish industry with regard to the other Member States of the European Union. In drawing it up, account has been taken of the regulations established by other Member States on the matter.
