### 4. Notification Number

2014/0492/E - H10

### 5. Title

Draft Order of the Minister for Territorial and Internal Policy regulating the technical conditions for gaming machines and their interconnection rules.

### 6. Products Concerned

Development of the requirements and technical characteristics that gaming machines and their interconnection systems must meet for their approval and registration.

### 7. Notification Under Another Act

-

### 8. Main Content

It contains, on the one hand, the minimum electronic and technological requirements or standards to be met by gaming machines of type A (with prize), B1, B2, B3, B4 and C for their approval, with regard to maximum price, maximum prize, pay-out percentage, cycles, game duration and, on the other hand, their interconnection systems, allowing the creation of a network of interrelated machines which share a common game and offer an accumulated prize, regardless of the specific game for each machine, both within the same establishment and between gaming establishments.

### 9. Brief Statement of Grounds

It regulates some minimum technical requirements for gaming machines and their interconnection systems, in order to guarantee the solvency and legal and technical security of the sectors involved, as well as the basic operating conditions for the interconnection systems, which will allow gaming manufacturers and operators to adjust the production of games to the new formats, guaranteeing the security and transparency of the game and the rights of participants, giving their content the flexibility to respond to the dynamism of the gaming sector.
