C/ CAPITAN HAYA, 41, 28071 – MADRID

4. Notification Number

2015/0416/E - V00T

5. Title

Draft ministerial order adopting the regulation covering last-mile installations in fixed ultrafast-access electronic communication networks.

6. Products Concerned

Products used to support last-mile installations in fixed electronic communication networks such as manhole boxes and entry chambers, ECT pipes and optical fibres.

7. Notification Under Another Act

- Directive 2014/61/EU of the European Parliament and of the Council of 15 May 2014 on measures to reduce the cost of deploying high-speed electronic communications networks.

8. Main Content

The regulation covering last-mile installations in fixed ultrafast-access electronic communication networks:

1. Sets out the format, content and formal deadlines for submitting the notification referred to in Article 45(4) of General Telecommunications Law 9/2014.
2. Adopts the technical aspects to be observed by operators when installing the resources related to fixed ultrafast-access electronic communication networks, as well as the related civil engineering work, as referred to in Article 45(6) of General Telecommunications Law 9/2014, both when providing service to the building in question and when installing stretches to extend an installation to provide access to the fixed ultrafast-access networks in neighbouring or nearby buildings or properties.
3. Regulates operator access to existing physical infrastructure inside buildings.
4. Sets out specific technical, procedural and usage details relating to the obligations related to the shared use of last miles.

9. Brief Statement of Grounds

Compliance with the provisions of Article 45 of General Telecommunications Law 9/2014.

Transposing the content of Article 9 of Directive 2014/61/EU of the European Parliament and of the Council of 15 May 2014 on measures to reduce the cost of deploying high-speed electronic communications networks into national law.

10. Reference Documents - Basic Texts

References to basic texts: General Telecommunications Law 9/2014 of 3 May.

11. Invocation of the Emergency Procedure

No

12. Grounds for the Emergency

-

13. Confidentiality

No

14. Fiscal measures

No

15. Impact assessment

-

16. TBT and SPS aspects

TBT relevance

No - The project will have no significant impact on international trade.

SPS relevance

No - The project will have no significant impact on international trade.

No - The draft is not a sanitary or phytosanitary measure.
