8. Main Content

This draft Order consists of the amendment of the content of the Annexe to the Order of 4 May 1988 by replacing the French standard and international standards with two new European standards EN 442.

9. Brief Statement of Grounds

The purpose of the French regulations relating to the heating element is to allow faithfulness of publicity and information advertisements aimed at the consumer by imposing a common standard reference for indicating the main characteristic of the heating element, namely its heating power.

The French authorities specify that they will, at the same time, issue an opinion to the economic operators, indicating the procedure to be followed for the approval of those bodies

as provided for in article 4 of the Order of 4 May 1988.

10. Reference Documents - Basic Texts

Amended Decree no. 84-74 of 26 January 1984, establishing the statutes for standardisation.

Order of 4 May 1988. The Decree was previously sent at the time of Notification 94/0299/F.
