8. Main Content

1. Implementing Chapters II, III and V of Law 32/2014 of 22 December on metrology.
2. Transposing Directive 2014/31/EU of the European Parliament and of the Council of 26 February 2014 on the harmonisation of the laws of the Member States relating to the making available on the market of non-automatic weighing instruments; Directive 2014/32/EU of the European Parliament and of the Council of 26 February 2014 on the harmonisation of the laws of the Member States relating to the making available on the market of measuring instruments (recast); and Commission Delegated Directive (EU) 2015/13 of 31 October 2014 amending Annex III to Directive 2014/32/EU of the European Parliament and of the Council, as regards the flowrate range of water meters.
3. Adapting the rules on instruments subject to State metrological control to the new law.
4. Subjecting the following to metrological control: (1) liquefied petroleum gas (LPG) pumps and dispensers for vehicles in the 'instruments in service' phase, and (2) time recording systems in public car parks in the 'conformity assessment' and 'instruments in service' phases.

9. Brief Statement of Grounds

1. Implementing the new law and transposing the aforementioned directives on legal grounds.
2. Adapting the regulation of instruments subject to State metrological control to the new law and directives, avoiding the proliferation of partially amended standards.
3. Establishing State metrological control in the 'instruments in service' phase of LPG dispensers in the manner established for other motor fuels (petrol and diesel).
4. Combating fraud detected in time recording systems in public car parks.
