#### **4. Notification Number**

2006/0386/E – I10

#### **5. Title**

Ministerial Decree regulating the State metrological control of taxi meters.

#### **6. Products Concerned**

The proposal affects taxi meters in service intended for establishing charges in vehicles intended for taxi services, during inspection following repair or modification and periodic inspection. The State metrological control stage for these instruments is regulated by means of the Royal Decree transposing Directive 2004/22/EC of the European Parliament and of the Council.

#### **7. Notification Under Another Act**

-

#### **8. Main Content**

The notified technical regulation lays down specific regulations from the State metrological control's point of view as laid down by Article 7 of the Metrology Act No 3 of 18 March 1985 for work instruments intended for the measurement of opacity and for determining the light absorbing capacity, thereby ensuring compliance with the applicable legislation relating to the emission of air pollutants.

The draft includes the implementation of the following metrological controls to the aforementioned systems:

- inspection following repair or modification and periodic inspection for those in service.

Key words in the draft:

- Taxi meter
- Inspection of instruments in service.
- Legal Metrological Control

#### **9. Brief Statement of Grounds**

Its implementation is justified from the point of view of guaranteeing the control of taxi meters in service for the protection of the economic interests of consumers and users when using taxi services.
