5.Draft Decision establishing the safety requirements for the design, construction and acceptance of welded stainless steel bottles for containing commercial butane gas.

6. Products Concerned

Technical conditions governing the manufacture of welded stainless steel bottles.

7. Notification Under Another Act

-

8.Amendment of ITC MIE AP. 7 of the Regulation on pressure vessels to provide for those technical requirements which are necessary for the manufacture of welded stainless steel

bottles for containing commercial butane gas.

9. Brief Statement of Grounds

Need for standards which provide for the above.

10. Reference Documents - Basic Texts

Order of 3 July 1987, amending supplementary technical instruction MIE-AP-7 of the Regulation on pressure vessels referring to bottles, compressed and liquefied gas cylinders and cylinders containing gas dissolved under pressure was

communicated via notification 86/063/E.

11. Invocation of the Emergency Procedure
