5. Title

Draft Order amending the Annex to the Order of 28 July 1980 on standards and supplementary technical instructions for the type-approval of solar panels

6. Products Concerned

The products concerned are solar collectors for warming liquid and prefabricated thermal solar systems for heating.

7. Notification Under Another Act

-

8. Main Content

Proposed key words: Thermal solar collectors.

The content of the draft is the amendment of the technical requirements included in the Annex to the Order of 28 July 1980, in order to update them in line with the technical advances that have occurred in the last few years and hence to delete the provisions that contain requirements that hinder the marketing in Spain of thermal solar collectors that are legally manufactured and marketed in another Member State.

9. Brief Statement of Grounds

The reasons for the draft are:

- a) to adapt the procedures for technical requirements of solar collectors to the rest of the European countries.
- b) to establish a system to update the quality standard that applies to solar collectors.
- c) to accept tests carried out by all accredited laboratories.

10. Reference Documents - Basic Texts
