8. Main Content

These Regulations amend the Public Service Vehicles Regulations (Northern Ireland) 1985 to provide for the introduction of the display of plates for all public/private hire taxis. These regulations are being introduced to enable the public to distinguish vehicles available for various types of hire. They also provide a definition for a "taxi-bus".

9. Brief Statement of Grounds

These Regulations will aid the enforcement of Regulations already in force and provide for a safer taxi service. The display of plates for individual types of hire will heighten the awareness of the public of which vehicle is available for a particular type of hire and eradicate the use of illegally run taxis.
