8. Main Content

The Royal Decree amends the Regulation on pyrotechnic products and ammunition in seven areas:

1. It amends the labelling requirements and withdraws the obligation to catalogue ammunition according to Reasoned opinion 258. Matter 4261/2009. Obstacles to the marketing of rifle ammunition in Spain.
2. It amends the transitional provisions on entry into force, which contradicted each other in the original text.
3. It amends the penalty provision, adapting it to the requirements of Industrial Act 21/1992.
4. This same regulation provides for the publication of two new supplementary technical instructions (STI): number 23 and number 24. The first on the conditions that the laboratories must meet, and the second on the format of the register books.
5. A new STI is published (number 25) defining the format of the expert licence.
6. It solves various technical problems in the interpretation of electric issues considered in STI 13.
7. Various articles are reworded to improve or correct the interpretation of their contents.
